

It is the last week of June and another successful school year is behind us! Thanks to the efforts of our students, staff, and parents, together we have experienced a memorable 2016/17 school year. It has been a pleasure to be a part of our collective journey!

We always have students who are moving on either by graduating to junior high schools or by moving away, and we wish you all the best in your future endeavors. All students and staff at Uncas have enhanced the experiences of others and we know that you will make positive contributions wherever you go.

Our Uncas Staff and classroom configurations for 2017/18:

Our Educational Assistants returning next year include Mrs. Siemens (assigned to grade 1), Ms. Sawchuk (grade 6), and Mrs. Deacon (Div 1 and Div 2). Mrs. Gaumont joins us as our ECS EA.

Mrs. Grismer and Mrs. Engels are not with assignment at this time but we hope to have a place for their services come the fall. Miss O'Gorman and Mrs. Scott have accepted positions at Southpointe, the new school in Fort Saskatchewan, and we thank them for their service and wish them all the best in their assignments!

We welcome back our noon hour supervisors Mrs. Ewing and Mrs. Davis. Mrs. Yurko is leaving us after many years of quality service to our students. If you would like to join our supervision team we could always use some extra help, so give the office a call for information in the fall about this paid position.

It has been a pleasure to share our Celebration of Learning Ceremonies with you, where we recognize our students for their outstanding efforts and academic and social growth achieved this year. It is all about the kids at Uncas School, and it takes an entire community to make it happen. Special thanks to our Parent Advisory Council and their volunteers for contributing so much to the daily life at Uncas School!

Have a safe and great summer and we'll see you back at school on August 30!
